

Before and After Care Program

Our school's Before and After care program runs Monday through Friday for normally scheduled full days of school. There are two options for use of B&A Care Program to ensure a secure space.

| Before School Care: | | |
|--|--------------------------------|--|
| | Enrolled in B/A (Payment Plan) | Not Enrolled in B/A (Incidental Billing) |
| Monday - Friday 7:00-7:45 am Room 143 | \$360/Year | \$3/Day |
| After School Care: | | |
| Monday, Tuesday, Thursday, Friday 3:15 - 6:00 pm Wednesday 2:15 - 6:00 pm Room 101 & 102 | \$1,260/Year | \$9/Day |

Enroll in the B&A payment plan if you are using this service on a regular basis. This is more cost effective if you know you will need child care regularly. This is done through our finance office.

If you only need occasional use of these services you will simply be billed for it once your child has checked in.

AFTERCARE NOTE: Parents of elementary kids, please communicate with your child's teacher to confirm you will need them sent to Aftercare. Middle and High school students will go directly to room 101 to check in.
